

6th and 7th Grade Summer Reads

Natalie Lopez
Class of 2013

The Pike School
Summer 2012

Dear Sixth and Seventh Grade Families,

Welcome to this year's edition of Pike's *SummerReads*. This list encompasses a wide variety of genres and formats, from classics, historical fiction and fantasy to graphic novels and science fiction. *SummerReads* is updated annually with the best new titles from every genre.

Building on the success of *Pike Reads Green*, the Pike community will again participate in an all-school reading experience. This summer's theme is **Pike Reads Forward**, focusing on the many facets of diversity.

By the opening of school in September 2012, each 6th and 7th grade student should have read **four books**, as outlined below.

Incoming 6th graders must read:

- the required book for English, *The London Eye Mystery* by Siobhan Dowd
- their **Pike Reads Forward book** (see back of this booklet)
- one book from this reading list, and
- one book of their own choosing.

Incoming 7th graders must read:

- the required book for English, *The Ear, The Eye, and The Arm* by Nancy Farmer
- their **Pike Reads Forward book** (see back of this booklet)
- one book from this reading list, and
- one book of their own choosing.

Please complete all the required reading before the start of school, and bring both required titles to school in September. We have partnered with The Andover Bookstore to have the required reading titles available before the end of school.

In the fall, students will participate in activities that celebrate their summer reading for English. In addition, our entire community will engage in discussions around the **Pike Reads Forward** titles.

We encourage you to visit your local public library this summer, where you can find these books and many others, and can also join their summer reading activities. This summer's reading theme is "Own the Night."

We hope you enjoy reading as part of your summer!

Warm regards,

Fran Mellin

An All-School Summer Reading Experience

This summer, all Pike students, faculty, staff, and administrators will read a book that deepens their appreciation of the differences and similarities between people. "Forward" is the informal name of "Future With Diversity," an Upper School diversity group. A small group from Pike's Diversity Committee reviewed many children's and young adult novels and chose realistic fiction titles that touch on many aspects of diversity.

In the fall, the entire Pike community will gather in small groups for book discussions led by adult facilitators. Upper School students will focus on areas of social awareness and justice. To help students prepare for this meeting, questions to think about will be available later this summer on the library web site.

Book Choices for Grades 6 and 7

Students have indicated which title they have chosen on the list below.
