

HOMESCHOOL CHECKLIST

NAME OF STUDENT _____

APPLYING TO GRADE _____

If your child is currently being homeschooled, please provide The Pike School Admission Office with the following information (either hard-copy or electronic) to be added to their admission application:

- Detailed description of the homeschool teaching environment including:
 - Name of Instructor(s)
 - Method of Instruction (in person, virtually, etc)
- Number of hours of instruction per day
- Titles and descriptions of courses completed in each year of homeschooling (corresponding with required transcripts) with a course listing of credits earned and testing instruments used.
- Grades for each course taken with a description of the grading standards.
- Any standardized test results dated within the last year.
- A list of any group activities your child participates in outside the home.
- Name of homeschool curriculum being utilized and/or list of textbooks used for homeschool courses.
- A detailed daily schedule for a typical week of school. Please include any extracurricular involvements or supplemental enrichment activities.
- A personal statement that describes:
 - What factors contributed to your decision to homeschool your child?
 - Why are you considering a change from the homeschool model?
 - How do you feel your child will perform in an independent school environment both academically and socially?
