# PORTRAIT OF A PIKE GRADUATE

## TRUSTED FRIEND

- Grounded in a genuine sense of self
- Sees strength in difference
- Acts with kindness and compassion

Grounded in Authenticity, Pike Graduates see strength in difference and work to foster healthy relationships throughout their lives. Steadfast, generous in spirit, and true to their whole selves, they enrich communities as agents of kindness and compassion.

## CURIOUS LEARNER

- Creates playfully and purposefully
- Makes meaning even as they make mistakes
- Transforms curiosity into understanding

With Intellectual Ambition at the heart of all learning endeavors, Pike Graduates create playfully and purposefully. They make meaning even as they make mistakes, synthesizing core knowledge with intrinsic wonder, resulting in deep understanding.

## OPTIMISTIC INNOVATOR

- Imagines possibilities and takes bold risks
- Perseveres through challenges
- Embraces creative problem-solving

Determined and confident, Pike Graduates embrace productive struggle and take bold risks, persevering in the face of uncertainty. Inspired by possibility, they are both inquisitive and reflective, creating solutions to new and existing problems.

## **AGILE COLLABORATOR**

---

- Fosters connections
- Listens openly and actively
- Knows when to step up and when to step back

Pike Graduates are dynamic thinkers who generate opportunities to build relationships and bridge ideas, knowing that the whole is greater than the sum of its parts. They listen with an open heart, engage with intention, and discern when to step up and step back, whether in a partnership, classroom, or company.

## **COURAGEOUS ADVOCATE**

---

- Centers integrity in decision-making
- Lives Non Sibi Solum, not for oneself alone
- Turns empathy into action

Centering decisions in Social Good, Pike Graduates embody integrity as they navigate an increasingly complex world. Reflecting Pike's motto, Non Sibi Solum, they communicate with purpose and conviction, turn empathy into action, and impact the greater community.
